Runic Enhancements: Tier Lists (v2)

Slots per character: 15 Common, 10 Rare, 5 Epic, 5 Legendary. Collect any number; choose which are active. Reply with the codes you want.

Common (C): small modifiers on one spell

Each Common is a modifier type applied to one specific spell, named '<Modifier> <Spell>', for example 'Agonizing Rend' or 'Efficient Consecration'. With these 15 modifiers across every class spell, the game can generate hundreds of Common runes automatically, all from data, so the list grows with your spell pool. Pick which modifier types to use (and change any value).

#	Modifier	Effect on its spell	Applies to
C1	**Amplified**	Spell or ability scales 8% better with spell power / attack power.	Any damage or healing spell
C2	**Agonizing**	Damage over time of the spell +6%.	DoTs (Rend, Corruption, Flame Shock…)
C3	**Soothing**	Healing done by the spell +6%.	Heals and HoTs
C4	**Efficient**	Mana, rage, energy or runic power cost of the spell -15%.	Any spell with a cost
C5	**Keen**	Critical strike chance of the spell +4%.	Damage or healing spells
C6	**Rapid**	Cooldown of the spell -10%.	Spells with a cooldown
C7	**Hasty**	Cast time of the spell -0.2 sec.	Spells with a cast time
C8	**Unwavering**	Pushback while casting the spell -70%.	Cast-time and channelled spells
C9	**Muted**	Threat caused by the spell -30%.	Damage and healing spells
C10	**Provoking**	Threat caused by the spell +30%.	Tank abilities (Sunder, Shield Slam, Maul…)
C11	**Precise**	Hit chance with the spell +3%.	Damage spells and attacks
C12	**Lingering**	Duration of the spell's effect +15%.	Buffs, debuffs, DoTs, HoTs, crowd control
C13	**Far-Reaching**	Range of the spell +15% (or radius for area spells).	Ranged and area spells
C14	**Sanguine**	5% of the spell's damage heals you.	Damage spells and attacks
C15	**Steadfast**	Damage taken -3% for 6 sec after using the spell.	Defensive and tank abilities

Rare (R): themed passives for a play style

Each Rare boosts a group of related abilities or a play style by a moderate amount.

#	Rune	Effect
R1	**Rune of the Wild**	Shapeshift forms cost 30% less and you shift 0.5 sec faster.
